2005 Thomas R. Ropchock Award

Recognizing the Wellington Firefighter of the Year

This award is presented to the firefighter who best exemplified the qualities of our mentor and friend, Captain Thomas R. Ropchock. The award has been chosen by the members of the Wellington Fire Department, in recognition of leadership during training and on the fire ground; sacrifices of time away from family; devotion and commitment to the Fire District; and for setting a positive example for others to follow.

The 2005 Thomas R. Ropchock Firefighter of the Year award has been awarded, posthumously to Dispatcher Ben Sickels. Ben was a member of the Wellington Fire Department since 1976, passing away August 2, 2005. During Ben's tenure, he was recognized as an excellent operator of the District's equipment. Sickels was instrumental in establishing and overseeing the Kenny Brouse Memorial Scholarship. Ben also served as the Firefighter's Association Secretary from 1992 until his passing. After successfully defeating cancer, Ben served the Fire District as its Dispatcher.

Ben's knowledge of fireground operations, department procedures and radio presence will be missed; almost as much as his sense of humor and outspoken nature.
